

**Job Title: Construction Laborer**

**Location: Field**

**Job Type: Full Time**

**Status: non-exempt**

**Reports to: Construction Foreman**

### **Job brief**

Building great things takes great execution in the field. Tekton is a full-service construction management and commercial general contractor focused on serving southeastern Ohio and surrounding areas. In this role, you will be an integral part of making this happen. We are looking for someone with a willingness to learn and hands-on experience to assist in all facets of the building process. We understand you may not know everything, if you're willing to show up to work, we're willing to take the time to teach you about commercial construction.

### **Responsibilities**

- Participate in daily safety toolbox talks.
- A willingness to ensure site safety is a priority for you and the team.
- Assist crews with various construction activities. Tasks include demolition, site work, concrete, rough and finish carpentry, insulation, drywall, paint, etc.
- Assist in maintaining a clean and hazard free jobsite.
- Assist in material tracking and delivery receipt.
- Ability to track daily construction metrics as assigned.
- Assume additional responsibilities as necessary.

### **Requirements and skills**

- Have a willingness to learn all facets of the construction process.
- Proven working experience in construction is preferred.
- Willingness to learn construction means and methods.
- Must be able to lift 50lbs.
- Stand and walk for long periods of time.
- This is a field position and is subject to the outside elements.
- Must have transportation to and from work.

### **Available benefits**

- Employee healthcare
- Paid time-off
- Retirement
- Employee performance bonus opportunities

We're an equal opportunity employer. All applicants will be considered for employment without attention to race, color, religion, sex, sexual orientation, gender identity, national origin, veteran or disability status.
